Dear Sir,

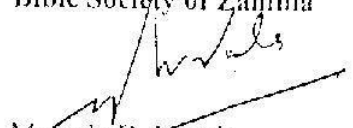

Re: NKOYA NEW TWSTAMENT PRINTING COST

We greet you in the name of our Savior, Jesus Christ.

This letter serves to inform you that for 2,500 copies of the Nkoya New Testament we plan to produce, we are required, by the publishers, to raise US \$10,000 (Ten thousand United States Dollars). The society is finding it difficult to secure funding for this vital project due to the changes in fund allocation from the United Bible Societies. Therefore, as equal partners, we request your hand in raising this money.

We look forward to a continued partnership for this noble cause of providing God's Word in Shinkoya language.

Yours for the service of the Word,
Bible Society of Zambia
